The Concierge Team

The spotlight this month is on dads! Father's Day is celebrated worldwide to recognise the love and dedication dads give unconditionally to their families. Although it is celebrated on different days around the world, the majority do so on the third Sunday of June. This year, it falls on 16 June.

We have done the work for you - our collection of hotels has curated an array of experiences for dads with different interests. You can choose to indulge him with a fine cigar and single malt whiskey; put on the ritz and enjoy a decadent and time-honoured Sunday Roast or introduce him to a luxury urban retreat for a traditional Malay warrior massage amongst other stellar treats.
